## FOLDABLE BACK PACK

Model No: GF NB0383

The Foldable Daypack is not just for your holidays. We designed the bag with one thing in mind – re-usability. Ultra-lightweight and durable to be relied upon every day, your Daypack is suitable for commuting to work or school, carrying your weekly shopping and stowing away in your luggage ready for your next adventure.

Constructed from water resistant rip-stop nylon, full metal SBS zips and expertly stitched by our manufacturer with over 10-year experience creating outdoor wear that makes every trip an adventure.

The backpack comes packed in its pouch form which fits through your letter box. Simply unzip and flick the bag by the handle, like magic the sandwich sized pouch transforms into your 20Litre daypack. Re-zip and you will find the pouch doubles up as a handy front pocket.

To complete the trick the bag must go back into the pouch - Luckily this is easy too. Un-zip the front pocket and lay the bag face down. fold length ways, to hide the straps. Fold width ways so the two handles meet. Fold width ways again to line up the zip. Tuck in the excess, zip up and stash in your suitcase for when you arrive.

Weighing a miniscule 181 grams the Foldable Daypack will pack away almost unnoticed and will not let you down.

## COOLER BAG

Model No: GF26390

If you are looking for a soft-sided cooler that is a little larger, perfect to pack 2+ meals easily or perhaps for adult who needs to carry a lot of food, family picnic, or people who need to work 12-hour shifts, then the GFI Large Cooler Bag is your best choice. Not only is it large in size, but there are two separate large compartments making it easy to separate items for easy access. Or if you have both hot, or room temperature foods and cold foods you can store them separately! Top "dry" compartment is great for chips, fruit, snacks and cookies. Bottom "cold" compartment won't leak for cooling drinks, juice, soup, and so on. This insulated cooler is best for Work, Picnic, Beach, Camping, Travel, Road Trips or other outdoor activities. The unique design pattern lets you stand out in the crowd.

Meas: 30(H) x 25(L) x 22(W) CM

Material: Polyester with Aluminium foiling

## NEVER FALL MUG

Model No: GF 1610

Anti-Spill Mug is an innovative mug that is designed as per suction technology to prevent spilling as much as possible. It is made of BPA-free material and has a food grade plastic lid.

With a suction cup underneath, this Non-slip tumbler is designed to hold any side forces applied towards the tumbler and prevents it from falling. It grips any smooth, flat, solid surface and is a car cupholder friendly product too. It is made of BPA-free material and comes with a food grade plastic lid. The suction ability of the tumbler has been tested to hold up to 60-degree on a flat surface. It is ideal for people who work on laptops and desktops all day and prevents spilling, and helps you avoid having to clean up your cars and tables again and again.

### Features

Capacity: 470ml

Comes with a suction cup underneath  
Grips any smooth, flat, solid surface

## ECO-FRIENDLY CORK SET

Model No: GF KD3027

You want to use the best products for your family's health and you need those products to be effective. It doesn't matter much if a product claims to be eco-friendly if it doesn't do the job it was designed to do.

There was a time when you didn't have to label products as eco-friendly because nearly everything was already made from natural substances. Today, with all the toxic chemicals found in products, the importance of eco-friendly products has never been bigger.

Eco Friendyl Cork Set Includes:

- Memo notepad
- 2pcs paper pencil
- Kraft paper ballpoint pen
- Eraser
- Wooden ruler
- Wooden pencil sharpener
- Cork Zipper Case

Size: 21.50 x 17cm
