**Emirates Colour Services LLC**, a premier Design and Print house has been operating in its Dubai Headquarter since 1993. Emirates Colour, as it is known, has created a niche for itself in a short period based on the result of our corporate policy - Customer satisfaction through Prompt Attention, Quality Reproduction, Efficient Execution and Adherence to Time Schedules followed by Delivery Service.

Satisfied Blue-Chip clients in Dubai, U.A.E. and the Middle East countries is a testimony of the Emirates Colour success story. State of the Art equipment including the latest computers forms the nucleus of Emirates Colour.

## **AI CONSULTANCY & PROJECT DEVELOPMENT**

We provide AI consultancy and project development dedicated to transforming ambitious ideas into powerful, intelligent digital solutions. We design and build advanced AI programs including custom AI agents, intelligent chatbots, automation systems, and machine learning tools tailored to each client's needs.

Beyond AI, we develop high-performance software platforms with seamless AI integrations from enterprise-grade ERP and CRM systems to scalable mobile apps and modern, conversion-focused websites. Our team combines strategic thinking, technical expertise, and cutting-edge AI capabilities to help startups and established businesses automate operations, unlock data-driven insights, and scale faster than ever.

We don't just implement technology we engineer intelligent ecosystems that give our clients a lasting competitive advantage.

For your complimentary consultation, email [hassan@emcolor.ai](mailto:hassan@emcolor.ai) for a tailor made solution to your organization's requirements.

## DESIGN

These are the times in which appearance and usability are considered the hallmarks of any good business. Top level design & graphics will make sure that your message will reach effectively. Remember - your company's professionalism is projected through the graphics that are viewed on all your collateral's. At Emirates Colour, our skilled graphics team is well known for being able to embody the essence of your brand and leave a lasting impression on your clients and potential clientele. From logo design to brochures, calendar, banner and web design, we do it all.

## PRINT

We specialize in all kinds of Offset printing for Corporate Stationery, Flyers, Brochures, Folders, Magazines, Booklets and much more. Our expertise also lies in Screen Printing, Heat Transfer Printing & Embroidery where required. We also boast a full fledged State of the Art Digital Inkjet Department for Poster, Backlit, & Banner printing including facilities for Lamination, Mounting & Installation when required.

## PROMOTIONS
